PRESS RELEASE

FAWE Africa Joins the Continental Advisory Board of Santos Creations Educational Foundation (SCEF)

Strengthening Gender-Inclusive Leadership in African Education

Lagos, Nigeria – October 22, 2025

The **Santos Creations Educational Foundation (SCEF)** is delighted to announce the formal **appointment of the Forum for African Women Educationalists (FAWE Africa)** to its **Continental Advisory Board**, effective October 2025.

This milestone follows a strategic meeting held on **October 6, 2025**, where both organizations agreed to collaborate through SCEF's flagship initiatives — **NESA-Africa 2025/2027 (New Education Standard Award Africa)** and **EduAid-Africa 2025–2027** — designed to advance inclusive, equitable, and gender-responsive education across Africa.

Empowering Gender Representation in Education Governance

Under this partnership, **FAWE Africa** takes a **permanent institutional advisory seat** on the **SCEF Continental Board of Advisors** and will serve on both the **NESA-Africa Advisory & Governance Council** and the **EduAid-Africa Advisory Council**.

FAWE will be represented by **two senior advisors from its headquarters** and **thematic gender leads from its 35 national chapters**, ensuring balanced representation and policy continuity.

Their inclusion strengthens SCEF's commitment to gender balance, women's leadership, and inclusive education innovation across the continent.

Collaboration through NESA-Africa and EduAid-Africa

FAWE's participation will guide gender-responsive perspectives across the **EduAid-Africa Webinar Series (Oct 2025 – Jun 2026)** and the **NESA-Africa Award Season**, ensuring that every dialogue and recognition platform reflects inclusivity, evidence-based advocacy, and women's leadership in education.

This collaboration aligns with **UNESCO's Education 2030 Framework**, **SDG 4 (Quality Education)**, and **SDG 5 (Gender Equality)**, reinforcing FAWE's continental leadership in advancing equity and educational transformation.

Leaders Speak

Engr. (Dr.) Babashola-Santos V. Aderibigbe, Chief Visionary Officer of SCEF, said:

> "FAWE's appointment brings vital gender insight and continental reach to our shared mission of making education more inclusive and equitable across Africa."

A **FAWE spokesperson** added:

> "We are proud to join SCEF's Advisory Board and to help strengthen gender-responsive education through dialogue, innovation, and policy alignment."

About the Organizations

Forum for African Women Educationalists (FAWE Africa)
Established in 1992, FAWE promotes girls' and women's education across 35 African countries, influencing policy and championing gender equality in education.
